The Importance of Underwriters:

When event costs are covered by Underwriters, we don't have to charge a ticket price. When overhead costs are covered, 100% of banquet donations go directly to our mission, instead of paying for the fundraising event. By partnering with us, Underwriters help us raise more money at the banquet and make a far greater impact!

Acknowledgement:

We are grateful for our Banquet Underwriters and could not host this event without them! All Underwriters receive a charitable tax receipt for their donation. We are very intentional about thanking & recognizing our Underwriters.
